# JOHNNY DC SAYS: LET THE MAIL BEGIN!

DC

H

I, I'm Johnny DC.

The best thing about Cartoon Network Block Party is that you never know who's going to show up next! Well, Mr. Warburton walked in and I grabbed him! Who? This sooper-talented dude created the hit show Codename: Kids Next Door and writes the comics about the Kids tool. He was nice enough to answer some questions.

**JDC:** Is your first name a secret, Mr. Warburton?

**MR. W.:** Yes! No one can ever, ever, EVER know that my first name is really Tom! DOH! Now look what you made me do! I gave it away!

**JDC:** You created a cartoon on TV! How did you do that?

**MR. W.:** Lots and lots of hard work! While I worked as an animator on other cartoons I was always thinking and drawing ideas for Codename: Kids Next Door. We made a pilot episode for cartoon network and viewers got to vote amongst mine and 9 other pilots on which would become a series. And guess what? Kids Next Door WON!

**JDC:** How did you get started in animation?

**MR. W.:** When I was in college, someone asked me the most important question of my life: "What would be the job that you laugh at people paying you to do?" I said making cartoons, but I didn't think I was good enough to do it! But my friend said, "If that's what you really want to do, you HAVE to do it!". So I did! And now I've got my own cartoon! How cool is THAT?!

**JDC:** Do you have other projects?

**MR. W.:** I have LOTS of other projects, but my favorite is my newborn little boy named Parker! He rocks and he's only 5 months old!

**JDC:** What inspired Codename: Kids Next Door?

**MR. W.:** Every kid around the world suspects that adults are up to something and in the world of the KND, THEY ARE! That's not to say that ALL adults are evil. It's just that there are some adult sooper-villains who want to raise

the drinking age of soda up to 13, and make you eat smooth instead of crunchy peanut butter whether you like it or not. And the KND are out to stop them!

**JDC:** Do you know any kids like the KND?

**MR. W.:** I hope that all kids would be like the KND and fight adult tyranny wherever it rears its wrinkly head! But like I said, not all adults are sooper-villains! Know the difference before you fight!

**JDC:** What is the KND's mission?

**MR. W.:** To fight adult tyranny without fail, except during cookie breaks. Then you should just chill out and enjoy a glass of milk and your favorite cookie. Very important.

**JDC:** There are five Kids Next Door. Can I be Numbuh Six?

**MR. W.:** I'm afraid the title of Numbuh Six is already taken by a skunk named Bradley! I wouldn't recommend fighting him for it! He'll sooper-stinkily you! And then Johnny DC would be Johnny PU. Not good.

Thanks, Mr. W! Congratulations on your show and on your baby! The rest of you guys—this page is for you. Send letters about the stories and send drawings of the characters. You could see them printed here! Johnny DC
